Gonda, India

SUMMARY

I am an experienced Front End Developer with a strong background in the e-learning sector. My skill set includes React JS, Javascript, HTML, Bootstrap, and CSS. I hold a Master of Computer Applications degree with a specialization in Data Science and Artificial Intelligence from Babu Banarasi Das University. I have a proven track record of developing innovative and user-friendly e-learning solutions. I am passionate about collaborating with like-minded professionals on challenging projects. Let's connect and bring our ideas to life together!
